

Accessibility at Lion Lodge (Kafue – Accessible)

The Lion Lodge (Accessible) has a number of features to assist disabled guests, including;

- A car parking space right outside the lodge, if needed. The flooring outside is hard-standing. An escort is required when you wish to leave the lodge/drive up to the lodge in your vehicle.
- Level floor access for the master bedrooms, bathroom/wet room and living spaces.
- Wide front door – 810x1980mm - There is a very slight step up – 25mm
- Lowered master bed – the bed can be split into 2 singles, please let our team know if you require singles as they will be made as a double by default.
 - Bed frame – 350mm from floor
 - Mattress – 250mm from frame
 - Total height – 600mm
- Doorway to bathroom/wet room – 900x2000mm
- Lowered toilet – 500mm
- Fixed shower seat
- Size of bathroom/wet room – 2484x2374mm
- Grab rails by shower, toilet, sink.
- Lowered sink in bathroom – 735mm
- Alarm pull cord in the bathroom/wet room.
- Lowered units in the kitchenette – 850mm
 - Microwave situated lower down.
- Sockets and switches are 1100mm to centre from the floor.

The 2nd bedroom features a standard double bed and a bunk bed with steps.
